

CARBON CAREER & TECHNICAL INSTITUTE

SECTION: PROGRAMS

TITLE: BUSINESS/EDUCATION
PARTNERSHIPS

ADOPTED: June 19, 2003

REVISED:

<p>1. Purpose</p> <p>2. Authority</p> <p>3. Guidelines</p>	<p style="text-align: center;">115. BUSINESS/EDUCATION PARTNERSHIPS</p> <p>The Joint Operating Committee of the Carbon Career & Technical Institute endorses a strong relationship between business/industry and education. It believes that the school benefits from partnerships in two (2) ways, materially and by demonstrating to students how learning translates into the marketplace. It views business and industry gaining the benefits of trained work force, contributing to its education.</p> <p>The opportunity for students to continue their vocational/technical training in a specific occupational area and to develop the competencies and work attitudes that are essential to the student's success in his/her chosen profession. Before students may be employed in a work environment, it must be determined that their work experience will be more beneficial and educational that what is provided at the school.</p> <p>The Joint Operating Committee is committed to the cultivation of business-education partnerships that link school-based learning to the workplace. Such partnerships may be created on a variety of scales, from entire laboratory programs supported by Craft Advisory Committees to small group and individual student arrangements as exemplified by cooperative education and internship arrangements. Partnerships may be short-term or continuing as well.</p> <p>The Joint Operating Committee shall provide the necessary logistic and financial support to create and sustain effective business-education partnerships.</p> <p>Administrators and staff members shall utilize available private and public sector contacts to effect a progression of meaningful educational experiences for students as they progress toward membership in the nation's workforce. Such experiences shall include, but not be limited to, the following:</p> <ol style="list-style-type: none"> 1. Cooperative education. 2. Internship. 3. Shadow experience.
