

CARBON CAREER & TECHNICAL INSTITUTE

SECTION: PUPILS

TITLE: FIRST AID/EMERGENCY CARE

ADOPTED: August 21, 2003

REVISED: May 18, 2006

209.1. FIRST AID/EMERGENCY CARE	
1. Purpose	The school nurse, in conjunction with the school physician, shall prepare emergency procedures to be followed when administering first aid to students and adults while on school property. Such procedures shall be written in and disseminated to all staff members as part of the Teacher's Handbook.
2. Delegation of Responsibility	The Administrative Director shall develop procedures to handle any emergency that requires the evaluation of or medical treatment of students while attending school, traveling to or from school or while participating in school activities.
3. Guidelines	An emergency information card that indicates the names of parents/guardians, physicians, or treatment centers to be contacted when an emergency exists shall be on file for each student.
