CARBON CAREER & TECHNICAL INSTITUTE

SECTION: OPERATIONS
TITLE: SUICIDE AWARENESS, PREVENTION AND RESPONSE
ADOPTED: November 18, 2004
REVISED: October 19, 2006, August 20, 2015

819. SUICIDE AWARENESS, PREVENTION AND RESPONSE

1. Purpose
   The Joint Operating Committee is committed to protecting the health, safety and welfare of its students and school community. This policy supports federal, state and local efforts to provide education on youth suicide awareness and prevention; establish methods of prevention, intervention, and response to suicide or suicide attempt; and to promote access to suicide awareness and prevention resources.

2. Authority
   In compliance with state law and regulations, and in support of CCTI’s suicide prevention measures, information received in confidence from a student may be revealed to the student’s parents/guardians, the building principal or other appropriate authority when the health, welfare or safety of the student or any other person is deemed to be at risk.

3. Guidelines
   CCTI shall utilize a multifaceted approach to suicide prevention which integrates school and community-based supports.

   SC 1526
   CCTI shall notify school our employees, students and parents/guardians of this policy and shall post the policy on our website.

   SC 1526
   SUICIDE AWARENESS AND PREVENTION EDUCATION

   Protocols for Administration of Student Education

   Students shall receive age-appropriate education on the importance of safe and healthy choices, coping strategies, how to recognize risk factors and warning signs, as well as help-seeking strategies for self or others including how to engage CCTI’s resources and refer friends for help.

   Lessons shall contain information on comprehensive health and wellness, including emotional, behavioral and social skills development.

   Protocols for Administration of Employee Education

   All CCTI employees, including but not limited to secretaries, coaches, bus drivers and custodians, shall receive information regarding risk factors, warning signs,
response procedures, referrals, and resources regarding youth suicide prevention.

As part of CCTI’s professional development plan, professional educators shall participate in four (4) hours of youth suicide awareness and prevention training every five (5) years.

Additional professional development in risk assessment and crisis intervention shall be provided to guidance counselors, school (center) mental health professionals and school nurses.

**Resources for Parents/Guardians**

CCTI may provide parents/guardians with resources including, but not limited to, health promotion and suicide risk, including characteristics and warning signs; and information about local behavioral/mental health resources.

**METHODS OF PREVENTION**

The methods of prevention utilized by CCTI include, but are not limited to, early identification and support for students at risk; education for students, staff and parents/guardians; and delegation of responsibility for planning and coordination of suicide prevention efforts.

**Suicide Prevention Coordinator**

A suicide prevention coordinator shall be designated by the Administrative Director to act as a point of contact for issues relating to suicide. This may be an existing CCTI employee. CCTI’s suicide prevention coordinator shall be responsible for planning and coordinating implementation of this policy.

**Early Identification Procedures**

Early identification of individuals with one (1) or more suicidal risk factors or of individuals exhibiting warning signs, is crucial to CCTI’s suicide prevention efforts. To promote awareness, CCTI’s employees, students and parents/guardians should be educated about suicidal risk factors and warning signs.

**Risk factors** refer to personal or environmental characteristics that are associated with suicide including, but not limited to:

- Behavioral Health Issues/Disorders:
  - Depression.
  - Substance abuse or dependence.
- Previous suicide attempts.
- Self injury.

- **Personal Characteristics:**
  - Hopelessness/Low self-esteem.
  - Loneliness/Social alienation/isolation/lack of belonging.
  - Poor problem-solving or coping skills.
  - Impulsivity/Risk-taking/recklessness.

- **Adverse/Stressful Life Circumstances:**
  - Interpersonal difficulties or losses.
  - Disciplinary or legal problems.
  - Bullying (victim or perpetrator).
  - School or work issues.
  - Physical, sexual or psychological abuse.
  - Exposure to peer suicide.

- **Family Characteristics:**
  - Family history of suicide or suicidal behavior.
  - Family mental health problems.
  - Divorce/Death of parent/guardian.
  - Parental-Child relationship.

**Warning signs** are indications that someone may be in danger of suicide, either immediately or in the near future. Warning signs include, but are not limited to:

- Expressions such as hopelessness, rage, anger, seeking revenge, feeling trapped, anxiety, agitation, no reason to live or sense of purpose.
- Recklessness or risky behavior.
- Increased alcohol or drug use.
- Withdrawal from friends, family, or society.
- Dramatic mood changes.

### Referral Procedures

Any CCTI employee who has identified a student with one (1) or more risk factors or who has an indication that a student may be contemplating suicide, shall refer the student for further assessment and intervention.

### Documentation

CCTI shall document the reasons for referral, including specific warning signs and risk factors identified as indications that the student may be at risk.

### METHODS OF INTERVENTION

The methods of intervention utilized by CCTI include, but are not limited to, responding to suicide threats, suicide attempts in the school, suicide attempts outside of the school, and completed suicide. Suicide intervention procedures shall address the development of an emotional or mental health safety plan for students identified as being at increased risk of suicide.

If a student is identified as being at risk for suicide or attempts suicide and the student may require special education services or accommodations, the Director of Special Education or designee shall be notified and shall take action to address the student’s needs in accordance with applicable law, regulations and Joint Operating Committee policy.

### Documentation

The school shall document observations, recommendations and actions conducted throughout the intervention and assessment process including verbal and written communications with students, parents/guardians and mental health service providers.

The Administrative Director or designee shall develop administrative regulations providing recommended guidelines for responding to a suicide threat.

</tbody>
</table>
When a school employee takes notes on any conversations or situations involving or relating to an at-risk student, the notes should contain only factual or directly observed information, not opinions or hearsay.

As stated in this policy, school employees shall be responsible for effective documentation of incidents involving suicide prevention, intervention and response.

The suicide prevention coordinator shall provide the Administrative Director with a copy of all reports and documentation regarding the at-risk student. Information and reports shall be provided, as appropriate, to guidance counselors, school mental health professionals and school nurses.
