909. MUNICIPAL GOVERNMENT RELATIONS	
1. Purpose	It is the policy of the Joint Operating Committee to maintain a close and harmonious association with municipal officials. The relationship is requisite for dealing with school/community matters in the most satisfactory manner and assuring the most prudent expenditure of tax dollars.
2. Authority	The Joint Operating Committee recognizes that its authority arises directly from the General Assembly, and the Articles of Agreement, as well as federal and state law.
3. Delegation of Responsibility	To maintain fiscal and physical planning and cooperation with municipalities, the Joint Operating Committee or its representatives may meet periodically with municipal officials to discuss plans for the next budget, building plans, special projects, etc.
SC 521	The Joint Operating Committee advocates the joint expenditure of district funds and municipal or county funds to provide those facilities from which the entire community, children and adults alike, may derive benefits. In accordance with this policy, the Board may as either opportunity or need arises, and as it is entitled to do by law, enter into a joint powers agreement with a local municipal governing body in acquiring or leasing, improving, equipping, operating or maintaining such jointly used facilities.
