

For Parents: What is Career Cruising?

Career Cruising is an Internet-based career exploration and planning tool used by your son or daughter to explore career and college options and develop a career plan. Career Cruising can be accessed from school, from home, or wherever your son or daughter has access to the Internet. Features of the program include:

- » **Interest and Skills Assessment** - a world-renowned career assessment tool to help people identify suitable career options based on their interests and skills

- » **Career Profiles** - thorough and up-to-date information about hundreds of different occupations, including direct links between careers and related college programs

- » **Multimedia Interviews** - interviews with real people in each occupation, which add depth and realism to career profiles

- » **College and Financial Aid Information** - comprehensive college and financial aid information, with a number of useful search tools to help students find the right college and the right scholarships

- » **Electronic Career Portfolio** - available online, so students can develop their education and career plans from wherever they access Career Cruising

- » **Resume Builder** - integrated with the portfolio to help students format and print professional-looking resumes quickly and easily
