

CARBON CAREER & TECHNICAL INSTITUTE ADULT EDUCATION

150 West 13th Street
Jim Thorpe, PA 18229
www.carboncti.org

FREE GED CLASSES

At CCTI, we offer **FREE** Adult Education Secondary Diploma (GED) preparation classes in partnership with Lehigh Carbon Community College. Classes are offered on-site with day and evening sessions available. Classes can be used by those who wish to prepare for the GED® exams, and/or freshen up for college or career readiness. Once ready for GED testing, participants can take the GED test at our location in Jim Thorpe. Other support services include student success counseling and a FREE practice test.

How do I start? Students must attend an orientation and complete a placement test and application for enrollment. The placement test is used to determine which course is best for you. CCTI in Jim Thorpe offers two different levels, while the course in Lehigh is mixed.
