- Students who attend LCCC for the first two years and then transfer to complete their bachelor's degree **save an average of 70%** on tuition!
- LCCC has **over 90 degree and certificate programs** to choose from!

If you're a high school student thinking about college or an adult thinking about returning to school, attend a Virtual Open House at Lehigh Carbon Community College this fall.

Find out how LCCC can open doors for you. . .

- Attend one of eight virtual information sessions focused on career pathways
- Learn about the admissions process at LCCC
- Hear from faculty about the degrees and programs that interest you
- Ask questions in a live session about financial aid, transfer options, placement testing, advising and more
- Learn about classes in the spring, which will be offered in a variety of formats to meet your needs: online, remote or in-person

Register online at www.LCCC.edu/openhouse, and you will receive a link to attend the virtual session of your choice. Information: **610-799-1575**.
