

- September is National School Attendance Awareness Month. According to the Attendance Works organization, “absenteeism the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days of school in September go on to miss nearly a month of school.” Regular school attendance is an indicator of student success. To recognize National School Attendance Awareness Month, CCTI is having a student attendance challenge throughout September. All students who have no unexcused absences for the whole month of September will receive 1 entry in a drawing for a Walmart gift card, and students with perfect attendance for September will receive 2 entries in the drawing. Three students will win Walmart gift cards at the end of the month.
- After school tutoring and clubs and activities begin next week. Please see Ms. Hyjurick in room 311 for more information about after school tutoring or see Ms. Benyo in room 203 for more information about staying after school to attend a club/activity meeting. Please consider using our free tutoring resource to maintain a positive grade point average and/or for extra support. Please consider getting involved in a CCTI club/activity.

- There will be an informational meeting on Tuesday, September 9th for all students who may be interested in being on the CCTI newspaper staff for this year. The meeting will be held at 1:30 in Ms. Kowalczyk's room, room 303.
- We are excited to announce that CCTI's salon is now open to the public on Thursdays and Fridays from 8:00 a.m. - 1:00 p.m. For more information or to schedule an appointment, please call 570-325-3682 ext. 1129.
- Attention CCTI Seniors! On Monday, September 15th, we will host a Senior Sunrise event which will conclude with the senior class meeting. Senior Sunrise will begin at 6:30 a.m. on the field which will include music, games, and breakfast. A permission slip and informational flyer will be distributed next week with more information. The senior class meeting will be held at 8:00 a.m. in the cafeteria.
- We encourage all sophomores and juniors to register for the PSAT in the guidance office. This is an opportunity to practice for the SATs which are required by some post-secondary institutions and/or scholarships. It's also an opportunity to qualify for the National Merit Scholarship Program. For more information, please contact Mr. Colosimo in guidance.

- The following forms are due to your student's technical instructor on or before September 12th:

Emergency Information Form

Acceptable Use Policy

Pest Management

Photo Consent and Handbook Signature Page

School Message System Consent

Technology Acceptance.

All forms are on www.carboncti.org in the "Students" and "Parents" sections. They are also in the Student/Parent Handbooks.

- Please remember that attendance is extremely important for students at CCTI and eventually in the working world. Poor attendance and truancy at CCTI may result in fines, and loss of privileges. Due to excessive absenteeism (including days absent accompanied by a parent note), students may also experience loss of credit for the courses taken during the school year (20 Day Policy).

- Please be aware that our school has installed vape detectors in bathrooms. These detectors are in place to promote a healthy environment and discourage vaping on campus.

Key Points to Keep in Mind:

- Detection: The detectors can identify vaping in real-time, meaning that if you vape in the bathrooms, you will be caught. Unfortunately, some students have already been caught as a result of the detectors.
 - Consequences: If detected, there will be disciplinary actions, including out-of-school suspension, expulsion, and referral to law enforcement officials (refer to JOC Policy 227 – Controlled Substances/Paraphernalia/Mood Altering Substances, Chemical Use, Abuse, and Dependency Policy in the Student/Parent Handbook, and JOC Policy 233 – Suspension and Expulsion – all are on our website).
 - Health Matters: Remember that vaping can pose significant health risks, and it's important to prioritize your well-being.
-
- SkillsUSA advisors have been coming into technical areas to tell students how to sign up and compete in a TON of interesting competitions. Some of these competitions are related to technical fields, but others are open to anyone in ANY field. This is a wonderful experience for our students and ANYONE in ANY grade can join. For more information about SkillsUSA ask your technical or academic instructor.
 - Parents, please set up your PowerSchool account and check your student's grades often. Communicate with teachers if you have any questions/concerns. If you need assistance setting up or logging into PowerSchool, please email tech@carboncti.org.

- Parents, please help your student get to school on time by dropping them off no later than 7:40 a.m. This will allow students to get to their locker and get ready to start their day at 7:45. Thank you for your cooperation.
- Junior/Senior Information Night - September 25, 2025 from 6:00 to 8:00 p.m. in the CCTI Cafeteria
- Carbon County College and Technical Education Night (Fair)
Jim Thorpe High School Gymnasium
September 24, 2025
6:30 p.m. - 8:00 p.m.
- Parents and students- Please review CCTI's Dress code policy (see pages 20-21 handbook).
- Please see the following informational flyers, etc. below:
 - Position Vacancy – HVAC
 - Breast Cancer Awareness Month flyers
 - Open House & Auto Show
 - Student/Parent Financial Aid Webinar Sign-Up Information.

Sincerely,

Dave Reinbold

Carbon Career and Technical Institute

Carbon Career and Technical Institute – Adult Education

Gracias a todos nuestros estudiantes y personal.
¡Para una gran primera semana de clases!

- Los siguientes formularios deben entregarse al instructor técnico de su estudiante antes del 12 de septiembre.

Formulario de información de emergencia

Política de uso aceptable

Manejo de plagas

Página de consentimiento para fotografías y firma del manual

Consentimiento del sistema de mensajes escolares

Aceptación de la tecnología.

Todos los formularios están en www.carboncti.org En las secciones "Estudiantes" y "Padres". También se encuentran en los Manuales para Estudiantes y Padres que su estudiante traerá a casa en los próximos días.

A partir de mañana, 30 de agosto, no vaya al Portal para padres de Powerschool para completar los formularios.

Gracias.

- Recuerde que la asistencia es fundamental para los estudiantes del CCTI y, con el tiempo, para el mundo laboral. La falta de asistencia y el ausentismo en el CCTI pueden resultar en multas y la pérdida de privilegios. Debido al ausentismo excesivo (incluyendo días de ausencia acompañados de una nota de los padres), los estudiantes también pueden perder créditos por las asignaturas cursadas durante el año escolar (Política de 20 días).
- Tenga en cuenta que nuestra escuela ha instalado detectores de vapeo en los baños. Estos detectores se instalan para promover un ambiente saludable y desalentar el vapeo en el campus.

Puntos clave a tener en cuenta:

- Detección: Los detectores pueden identificar el vapeo en tiempo real, lo que significa que si vapeas en los baños, te detectarán. Desafortunadamente, algunos estudiantes ya han sido detectados gracias a los detectores.
 - Consecuencias: Si se detecta, habrá acciones disciplinarias, que incluyen suspensión fuera de la escuela, expulsión y remisión a funcionarios encargados de hacer cumplir la ley (consulte la Política 227 de JOC: Sustancias controladas/parafernalia/sustancias que alteran el estado de ánimo, uso de sustancias químicas, abuso y dependencia en el Manual para estudiantes y padres, y la Política 233 de JOC: Suspensión y expulsión; todas están en nuestro sitio web).
 - Asuntos de salud: Recuerde que vapear puede suponer riesgos importantes para la salud y es importante priorizar su bienestar.
- Las fotos escolares se llevarán a cabo el 4 de septiembre y 5 Para más información, consulte la sección Noticias y anuncios de nuestro sitio web.

- La ayuda adicional después de la escuela comienza el 8 de septiembre Lunes, miércoles y jueves de 14:15 a 15:30 h. Los estudiantes pueden inscribirse a través del sitio web de CCTI, haciendo clic en la pestaña de estudiantes y bajando hasta "Ayuda Adicional". Se ofrece transporte puerta a puerta.
- Los asesores de SkillsUSA pronto visitarán las áreas técnicas para explicarles a los estudiantes cómo inscribirse y competir en un montón de competencias interesantes. Algunas de estas competencias están relacionadas con campos técnicos, pero otras están abiertas a cualquier persona de cualquier campo. Esta es una experiencia maravillosa para nuestros estudiantes y CUALQUIERA de CUALQUIER grado puede unirse. Para obtener más información sobre SkillsUSA, pregúntele a su instructor técnico o académico.
- Padres, por favor, configuren su cuenta de PowerSchool y revisen las calificaciones de sus hijos con frecuencia. Comuníquense con los maestros si tienen alguna pregunta o inquietud. Si necesitan ayuda para configurar o iniciar sesión en PowerSchool, envíen un correo electrónico atecnología@carboncti.org.
- Padres, por favor ayuden a sus estudiantes a llegar a la escuela a tiempo dejándolos a más tardar a las 7:40 a.m. Esto permitirá que los estudiantes lleguen a su casillero y se preparen para comenzar su día a las 7:45. Gracias por su cooperación.
- Noche de información para estudiantes de penúltimo y último año: 25 de septiembre de 2025, de 18:00 a 20:00 horas, en la cafetería del CCTI.

- Noche de educación técnica y universitaria del condado de Carbon (Feria) Gimnasio de la escuela secundaria Jim Thorpe
24 de septiembre de 2025
18:30 - 20:00 horas.
- Prueba preliminar de aptitud académica (PSAT)
22 de octubre de 2025 en el CCTI
Recomendado para estudiantes de segundo y tercer año que cursan estudios universitarios. Inscribábase en la oficina de orientación. El examen es gratuito.
- Consulte los siguientes folletos informativos, etc. a continuación:
 - Puesto vacante – HVAC
 - Casa Abierta y Salón del Automóvil
 - Información de inscripción al seminario web sobre ayuda financiera para estudiantes y padres.

¡Esperamos que todos tengan un fin de semana del Día del Trabajo
relajante y seguro!

Como recordatorio, la escuela estará cerrada el lunes (09/01/2025).

Atentamente,

Dave Reinbold
