

- Senior Information: Reminder the representative from Herff Jones (cap & gown supplier) will be at CCTI on Tuesday, October 7, 2025 at 8:00 a.m. All seniors should have a cap & gown order form. Please send the completed order form and payment in with your senior on this date to avoid paying the shipping & handling fee of \$13.85. After October 7, 2025, you will have to order online only. If your senior needs another order form, please have them see Mrs. Kohutka.
- Parents, please ask your student to show you their Google Classroom so you can see what students are working on in their classes. Also, if a student is absent, he/she is expected to check Google Classroom to retrieve and complete assignments to avoid falling behind.

- September is National School Attendance Awareness Month. According to the Attendance Works organization, “absenteeism the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days of school in September go on to miss nearly a month of school.” Regular school attendance is an indicator of student success. To recognize National School Attendance Awareness Month, CCTI is having a student attendance challenge throughout September. All students who have no unexcused absences for the whole month of September will receive 1 entry in a drawing for a Walmart gift card, and students with perfect attendance for September will receive 2 entries in the drawing. Three students will win Walmart gift cards at the end of the month.
- After school tutoring and clubs and activities are available. Please see Ms. Hyjurick in room 311 for more information about after school tutoring or see Ms. Benyo in room 203 for more information about staying after school to attend a club/activity meeting. Please consider using our free tutoring resource to maintain a positive grade point average and/or for extra support. Please consider getting involved in a CCTI club/activity.
- The middle of the marking period is coming up next week - Thursday, September 25th. Students should be sure to check their grades in PowerSchool and connect with teachers for opportunities to make up missed assignments.
- We are excited to announce that CCTI’s salon is now open to the public on Thursdays and Fridays from 8:00 a.m. - 1:00 p.m. For more information or to schedule an appointment, please call 570-325-3682 ext. 1129.

- Attention sophomores and juniors! Now is the time to sign up to take the PSATs. The preliminary SAT is more than good practice for the SAT, you can use your score to see your progress, set your own target SAT score, access personalized recommendations about AP courses that are a good fit for you, enter the National Merit Scholarship Program, help pay for college, and plan for life after high school. Please see Mr. Colosimo in our guidance office to sign up to take the PSATs or to learn more about it. Registration is due by Monday, September 22nd, and the PSAT will be given on October 22nd.
- Attention seniors, forms to apply for class officer positions are due on Wednesday, September 24th. Please submit them to Mrs. Kohutka in the business office by this deadline to be considered for a class officer position.
- The Jeff Rider Memorial Scholarship benefits a CCTI welding student during our senior awards ceremony. Jeff Rider was a 2010 graduate of CCTI and tragically passed away in 2013. His sister is doing a basket raffle and bake sale to raise funds for the scholarship fund. Please consider supporting this scholarship fund at their fundraiser on September 27th from 10-3 at the Sokol Hall on 452 Lehigh Avenue in Palmerton. The fundraiser will include a basket raffle, gift card raffle, and bake sale.

- Please be aware that our school has installed vape detectors in bathrooms. These detectors are in place to promote a healthy environment and discourage vaping on campus.

Key Points to Keep in Mind:

- Detection: The detectors can identify vaping in real-time, meaning that if you vape in the bathrooms, you will be caught. Unfortunately, some students have already been caught as a result of the detectors.
 - Consequences: If detected, there will be disciplinary actions, including out-of-school suspension, expulsion, and referral to law enforcement officials (refer to JOC Policy 227 – Controlled Substances/Paraphernalia/Mood Altering Substances, Chemical Use, Abuse, and Dependency Policy in the Student/Parent Handbook, and JOC Policy 233 – Suspension and Expulsion – all are on our website).
 - Health Matters: Remember that vaping can pose significant health risks, and it's important to prioritize your well-being.
- SkillsUSA advisors have been coming into technical areas to tell students how to sign up and compete in a TON of interesting competitions. Some of these competitions are related to technical fields, but others are open to anyone in ANY field. This is a wonderful experience for our students and ANYONE in ANY grade can join. For more information about SkillsUSA ask your technical or academic instructor.
 - Parents, please help your student get to school on time by dropping them off no later than 7:40 a.m. This will allow students to get to their locker and get ready to start their day at 7:45. Thank you for your cooperation.

- Junior/Senior Information Night - September 25, 2025 from 6:00 to 8:00 p.m. in the CCTI Cafeteria.
The Junior/Senior Information Night will include information on the following topics: CCTI Graduation Requirements, Act 158 Pathway Requirements, Cooperative Education Information, Career Planning, College & Tech/Trade School Planning, Scholastic Aptitude Test, American College Test, Financial Aid Information, Free Application for Federal Student Aid (FAFSA), Scholarship Search, Military Careers, Job Search and Job Information. Information from class advisors and Lehigh Carbon Community College will be provided.

- Información para estudiantes de último año: Les recordamos que el representante de Herff Jones (proveedor de togas y birretes) estará en el CCTI el martes 7 de octubre de 2025 a las 8:00 a. m. Todos los estudiantes de último año deben tener un formulario de pedido. Por favor, envíen el formulario de pedido completo y el pago junto con su estudiante de último año en esta fecha para evitar el cargo de envío y manipulación de \$13.85. Después del 7 de octubre de 2025, solo podrán realizar sus pedidos en línea. Si su estudiante de último año necesita otro formulario de pedido, pídanle que se comuniquen con la Sra. Kohutka.
- Padres, por favor, pídanle a su estudiante que les muestre su Google Classroom para que puedan ver en qué están trabajando los estudiantes en sus clases. Además, si un estudiante está ausente, se espera que revise Google Classroom para recuperar y completar las tareas para evitar atrasarse.

- Septiembre es el Mes Nacional de Concientización sobre la Asistencia Escolar. Según la organización Attendance Works, “el ausentismo durante el primer mes de clases puede predecir una mala asistencia a lo largo del año escolar. La mitad de los estudiantes que faltan de 2 a 4 días a clases en septiembre, pierden casi un mes”. La asistencia regular a la escuela es un indicador del éxito estudiantil. Para celebrar el Mes Nacional de Concientización sobre la Asistencia Escolar, CCTI está organizando un concurso de asistencia estudiantil durante septiembre. Todos los estudiantes que no tengan ausencias injustificadas durante todo el mes de septiembre participarán en un sorteo para obtener una tarjeta de regalo de Walmart, y los estudiantes con asistencia perfecta durante septiembre participarán en el sorteo para obtener dos tarjetas de regalo de Walmart. Tres estudiantes ganarán tarjetas de regalo de Walmart al final del mes.
- Hay tutorías, clubes y actividades disponibles después de clases. Para más información sobre las tutorías, contacte con la Sra. Hyjurick en el aula 311 o con la Sra. Benyo en el aula 203 para más información sobre cómo quedarse después de clases para asistir a una reunión de club o actividad. Considere usar nuestro recurso gratuito de tutorías para mantener un promedio de calificaciones positivo o para recibir apoyo adicional. Considere participar en un club o actividad de CCTI.
- La mitad del período de calificaciones llegará la próxima semana: el jueves 25 de septiembre. Los estudiantes deben asegurarse de revisar sus calificaciones en PowerSchool y conectarse con los maestros para tener oportunidades de recuperar las tareas perdidas.

- Nos complace anunciar que el salón CCTI ya está abierto al público los jueves y viernes de 8:00 a. m. a 1:00 p. m. Para más información o programar una cita, llame al 570-325-3682, ext. 1129.
- ¡Atención, estudiantes de segundo y tercer año! ¡Es hora de inscribirse para el PSAT! El SAT preliminar es más que una buena práctica para el SAT; pueden usar su puntaje para ver su progreso, establecer su propio puntaje objetivo, acceder a recomendaciones personalizadas sobre cursos AP que se ajusten a sus necesidades, participar en el Programa Nacional de Becas al Mérito, ayudar a pagar la universidad y planificar su vida después de la preparatoria. Para inscribirse o para obtener más información, consulten con el Sr. Colosimo en nuestra oficina de orientación. El plazo de inscripción vence el lunes 22 de septiembre, y el PSAT se administrará el 22 de octubre.
- Atención estudiantes de último año, los formularios para solicitar puestos de oficiales de clase deben entregarse el miércoles 24 de septiembre. Por favor, envíelos a la Sra. Kohutka en la oficina comercial antes de esta fecha límite para ser considerado para un puesto de oficial de clase.

- La Beca Conmemorativa Jeff Rider beneficia a un estudiante de soldadura del CCTI durante nuestra ceremonia de premios de último año. Jeff Rider se graduó del CCTI en 2010 y falleció trágicamente en 2013. Su hermana está organizando una rifa de canastas y una venta de pasteles para recaudar fondos para la beca. Por favor, considere apoyar a esta beca en su evento de recaudación de fondos el 27 de septiembre. De 10 a 15 h en el Sokol Hall, ubicado en la avenida Lehigh 452 de Palmerton. La recaudación de fondos incluirá una rifa de canastas, una rifa de tarjetas de regalo y una venta de pasteles.
- Tenga en cuenta que nuestra escuela ha instalado detectores de vapeo en los baños. Estos detectores se instalan para promover un ambiente saludable y desalentar el vapeo en el campus.

Puntos clave a tener en cuenta:

- Detección: Los detectores pueden identificar el vapeo en tiempo real, lo que significa que si vapeas en los baños, te detectarán. Desafortunadamente, algunos estudiantes ya han sido detectados gracias a los detectores.
- Consecuencias: Si se detecta, habrá acciones disciplinarias, que incluyen suspensión fuera de la escuela, expulsión y remisión a funcionarios encargados de hacer cumplir la ley (consulte la Política 227 de JOC: Sustancias controladas/Parafernalia/Sustancias que alteran el estado de ánimo, uso de sustancias químicas, abuso y dependencia en el Manual para estudiantes y padres, y la Política 233 de JOC: Suspensión y expulsión; todas están en nuestro sitio web).
- Asuntos de salud: Recuerde que vapear puede suponer riesgos importantes para la salud y es importante priorizar su bienestar.

- Los asesores de SkillsUSA han estado visitando áreas técnicas para explicarles a los estudiantes cómo inscribirse y competir en muchísimas competencias interesantes. Algunas de estas competencias están relacionadas con campos técnicos, pero otras están abiertas a cualquier persona de cualquier campo. Esta es una experiencia maravillosa para nuestros estudiantes y cualquier persona de cualquier grado puede participar. Para más información sobre SkillsUSA, consulta con tu instructor técnico o académico.
- Padres, por favor ayuden a sus estudiantes a llegar a la escuela a tiempo dejándolos a más tardar a las 7:40 a.m. Esto permitirá que los estudiantes lleguen a su casillero y se preparen para comenzar su día a las 7:45. Gracias por su cooperación.
- Noche de información para estudiantes de penúltimo y último año: 25 de septiembre de 2025 de 6:00 p. m. a 8:00 p. m. en la cafetería del CCTI.
La noche de información para estudiantes de penúltimo y último año incluirá información sobre los siguientes temas: Requisitos de graduación de CCTI, Requisitos de Pathway de la Ley 158, Información sobre educación cooperativa, Planificación de carreras, Planificación universitaria y de escuelas técnicas/vocacionales, Prueba de aptitud académica, Prueba universitaria estadounidense, Información sobre ayuda financiera, Solicitud gratuita de ayuda federal para estudiantes (FAFSA), Búsqueda de becas, Carreras militares, Búsqueda de empleo e información laboral. Se proporcionará información de los asesores de clase y de Lehigh Carbon Community College.

- Noche de educación técnica y universitaria del condado de Carbon (Feria) Gimnasio de la escuela secundaria Jim Thorpe
24 de septiembre de 2025
18:30 - 20:00 horas.
- Padres y estudiantes: revisen la política de código de vestimenta de CCTI (consulten las páginas 20 y 21 del manual).
- Consulte los siguientes folletos informativos, etc. a continuación:
 - Puesto vacante – HVAC
 - Inscripciones para el PSAT
 - Noche de educación técnica y universitaria del condado de Carbon
 - Rifa de cestas del Fondo de Becas en Memoria de Jeff Rider, rifa de tarjetas de regalo, venta de pasteles
 - Folletos del Mes de Concientización sobre el Cáncer de Mama
 - Puertas Abiertas y Salón del Automóvil
 - Información de inscripción al seminario web sobre ayuda financiera para estudiantes y padres.
