Scholarship recipients are also invited to the Community Foundation Awards Program in June. All applicants, including those not selected, will receive notification about their application status.
- For families who may be experiencing food insecurity, the Carbon County Community Foundation has developed a list of all of the local food pantries in our area which can be found on their website: <https://cccfoundpa.org/feeding-our-neighbors-fund/>. They have a zip code locator that shows the nearest food pantry or soup kitchen, their contact info, and distribution hours. (clickable links may be found, below)
- Policy reminder: Students are not permitted to drive to CCTI unless they have a valid parking permit issued by Officer Woods. Students are also not permitted to drive to and from school with other students who have parking permits unless they live in the same household as the student with the permit. Students who violate this policy will face disciplinary consequences.

- The Pennsylvania Student Aid Guide from PHEAA is available online for students and parents of students planning on attending postsecondary school during the 2026-2027 school year. It is available at the following link:  
<https://online.flippingbook.com/view/80568904/>  
(clickable link may be found below)
- Student dress code reminder: According to our student handbook, pajama tops or bottoms are not permitted to be worn to school.
- Information for Seniors from the Pennsylvania Higher Education Assistance Agency:

With the 2026-27 Free Application for Federal Student Aid (FAFSA®) opening last month, the Pennsylvania Higher Education Assistance Agency (PHEAA) has been working to prepare our PA State Grant processing system, GrantUs<sup>SM</sup> for the upcoming award year. We are now pleased to announce that processing for the 2026-27 PA State Grant Program has been initiated.

- New this year, a pre-screening methodology allows us to perform immediate review of the student's FAFSA data to determine whether the student meets initial PA State Grant applicant criteria through pre-eligibility checks (for example submitted a complete FAFSA, is a PA resident, not in

default, etc.) If the student's FAFSA data passes these initial checks the student's record will be created in GrantUS.

- An account activation notice will be sent after the student's FAFSA data successfully passes the pre-screening process if the student does not have an existing account.
- Activation notices will be sent from [noreply@grantus.pheaa.org](mailto:noreply@grantus.pheaa.org).
- Activation notices are time sensitive and will expire after 5 days. If the student does not access the link before it expires, they can use Forgot Password on the GrantUS log in page.
- Students that have an existing account are not required to make a new account but instead should log in with their existing credentials. Students can select Forgot Password on the login page if they do not remember their password.

- Please remember that attendance is extremely important for students at CCTI and eventually in the working world. Poor attendance and truancy at CCTI may result in fines, and loss of privileges. Due to excessive absenteeism (including days absent accompanied by a parent note), students may also experience loss of credit for the courses taken during the school year (20 Day Policy).
- Parents, please ask your student to show you their Google Classroom so you can see what students are working on in their classes. Also, if a student is absent, he/she is expected to check Google Classroom to retrieve and complete assignments to avoid falling behind.

- After school tutoring and clubs and activities are available. Please see Ms. Hyjurick in room 311 for more information about after-school tutoring or see Ms. Benyo in room 203 for more information about staying after school to attend a club/activity meeting. Please consider using our free tutoring resource to maintain a positive grade point average and/or for extra support. Please consider getting involved in a CCTI club/activity.
- Please be aware that our school has installed vape detectors in bathrooms. These detectors are in place to promote a healthy environment and discourage vaping on campus.

### Key Points to Keep in Mind:

- Detection: The detectors can identify vaping in real-time, meaning that if you vape in the bathrooms, you will be caught. Unfortunately, some students have already been caught as a result of the detectors.
- Consequences: If detected, there will be disciplinary actions, including out-of-school suspension, expulsion, and referral to law enforcement officials (refer to JOC Policy 227 – Controlled Substances/Paraphernalia/Mood Altering Substances, Chemical Use, Abuse, and Dependency Policy in the Student/Parent Handbook, and JOC Policy 233 – Suspension and Expulsion – all are on our website).
- Health Matters: Remember that vaping can pose significant health risks, and it's important to prioritize your well-being.

- Parents, please help your student get to school on time by dropping them off no later than 7:40 a.m. This will allow students to get to their locker and get ready to start their day at 7:45. Thank you for your cooperation.

- Parents and students- Please review CCTI's Dress code policy (see pages 20-21 handbook).

(el enlace se puede encontrar a continuación)
- Recordatorio del código de vestimenta para estudiantes: De acuerdo con nuestro manual para estudiantes, no se permite usar blusas o pantalones de pijama en la escuela.

- Información para personas mayores de la Agencia de Asistencia para la Educación Superior de Pensilvania:

Con la apertura de la Solicitud Gratuita de Ayuda Federal para Estudiantes (FAFSA®) 2026-27 el mes pasado, la Agencia de Asistencia para la Educación Superior de Pensilvania (PHEAA) ha estado trabajando para preparar nuestro sistema de procesamiento de subvenciones estatales de Pensilvania, GrantUs.<sup>SM</sup> Para el próximo año de subvenciones. Nos complace anunciar que se ha iniciado el proceso para el Programa de Subvenciones Estatales de Pensilvania 2026-27.

- Como novedad este año, una metodología de preselección nos permite realizar una revisión inmediata de los datos de la FAFSA del estudiante para determinar si cumple con los requisitos. [Criterios iniciales para solicitar la subvención estatal de Pensilvania](#) a través de verificaciones de preelegibilidad (por ejemplo, presentó una FAFSA completa, es residente de PA, no está en mora, etc.). Si los datos de la FAFSA del estudiante pasan estas verificaciones iniciales, se creará el registro del estudiante en GrantUS.
- Se enviará un aviso de activación de cuenta después de que los datos de FAFSA del estudiante pasen con éxito el proceso de preselección si el estudiante no tiene una cuenta existente.
- Los avisos de activación se enviarán desde [noreply@grantus.pheaa.org](mailto:noreply@grantus.pheaa.org).
- Los avisos de activación son sensibles al tiempo y expirarán después de 5 días. Si el estudiante no accede al enlace antes de que caduque, puede usar la opción "Olvidé mi contraseña" en la página de inicio de sesión de GrantUS.

- Los estudiantes que ya tienen una cuenta no necesitan crear una nueva, sino iniciar sesión con sus credenciales. Si no recuerdan su contraseña, pueden seleccionar "Olvidé mi contraseña" en la página de inicio de sesión.
- Recuerde que la asistencia es fundamental para los estudiantes del CCTI y, con el tiempo, para el mundo laboral. La falta de asistencia y el ausentismo en el CCTI pueden resultar en multas y la pérdida de privilegios. Debido al ausentismo excesivo (incluyendo días de ausencia acompañados de una nota de los padres), los estudiantes también pueden perder créditos por las asignaturas cursadas durante el año escolar (Política de 20 días).
- Padres, por favor, pídanle a su estudiante que les muestre su Google Classroom para que puedan ver en qué están trabajando los estudiantes en sus clases. Además, si un estudiante está ausente, se espera que revise Google Classroom para recuperar y completar las tareas para evitar atrasarse.
- Hay tutorías, clubes y actividades disponibles después de clases. Para más información sobre las tutorías, contacte con la Sra. Hyjurick en el aula 311 o con la Sra. Benyo en el aula 203 para más información sobre cómo quedarse después de clases para asistir a una reunión de club o actividad. Considere usar nuestro recurso gratuito de tutorías para mantener un promedio de calificaciones positivo o para recibir apoyo adicional. Considere participar en un club o actividad de CCTI.

- Tenga en cuenta que nuestra escuela ha instalado detectores de vapeo en los baños. Estos detectores se instalan para promover un ambiente saludable y desalentar el vapeo en el campus.

Puntos clave a tener en cuenta:

- Detección: Los detectores pueden identificar el vapeo en tiempo real, lo que significa que si vapeas en los baños, te detectarán. Desafortunadamente, algunos estudiantes ya han sido detectados gracias a los detectores.
- Consecuencias: Si se detecta, habrá acciones disciplinarias, que incluyen suspensión fuera de la escuela, expulsión y remisión a funcionarios encargados de hacer cumplir la ley (consulte la Política 227 de JOC: Sustancias controladas/Parafernalia/Sustancias que alteran el estado de ánimo, uso de sustancias químicas, abuso y dependencia en el Manual para estudiantes y padres, y la Política 233 de JOC: Suspensión y expulsión; todas están en nuestro sitio web).
- Asuntos de salud: Recuerde que vapear puede suponer riesgos importantes para la salud y es importante priorizar su bienestar.

- Padres, por favor ayuden a sus estudiantes a llegar a la escuela a tiempo dejándolos a más tardar a las 7:40 a.m. Esto permitirá que los estudiantes lleguen a su casillero y se preparen para comenzar su día a las 7:45. Gracias por su cooperación.
- Padres y estudiantes: revisen la política de código de vestimenta de CCTI (consulten las páginas 20 y 21 del manual).

- Consulte los siguientes folletos informativos, etc. a continuación:

  - Baile de San Valentín
  - Solicitudes de becas de la Primera Asociación de Damas Católicas Eslovacas

## Seeking Donations:

In the late weeks of November, a student at CCTI lost their home, their belongings, and most tragically, some of their pets to a devastating house fire. Donations are being accepted online through a GoFundMe and the Penn Kidder PTA and we ask that you consider giving generously in this time of need to support our fellow student and community member. All donations at this time are only monetary and the links to these donations are provided. Through times of trouble, our community is one of the strongest resources we have to support us and all charitable donations will be greatly appreciated.
