SECTION: PROPERTY

TITLE: PROTECTION OF PERSONAL
PROPERTY

ADOPTED: October 21, 2004

REVISED: September 21, 2006

REVIEWED: January 15, 2026

713. PROTECTION OF PERSONAL PROPERTY	
1. Purpose	<p>Purpose The Joint Operating Committee believes that items deemed necessary to carry on the approved educational program shall generally be furnished by the school to students, employees and to other personnel using the school facilities. The presence of personal property on school premises shall be discouraged and occur only within the established procedures of the school.</p>
2. Authority	<p>Authority The Joint Operating Committee shall not be responsible for the personal property of students, employees or other personnel using the school facilities.</p> <p>Articles of clothing, jewelry, money and any other items of a personal nature constituting personal property such as radios, eye glasses, etc. are the responsibility of the student, employee or person while within the school facility.</p> <p>The Joint Operating Committee shall provide reasonable safeguards for the protection and safekeeping of personal property which may be brought on the premises.</p>
